Sprint 2 Report

Product Name - RentMyJunk
Team Name - RMJ Development Team
Date - October 20 2019

Actions to stop doing:

As a team, we have not decided on stopping any significant actions. This Sprint has been focused on adopting better habits instead.

Actions to start doing:

- Ensure that team communication is strong, and that no one is left behind when new technologies are adopted.
- Learn Redux.

Actions to keep doing:

- Continue to deepen our understanding of the technologies that will be used by our team, such as Flask and React.
- Make and review pull requests, to ensure that our master branch remains stable.
- Continue to update our Scrum board as people take on tasks.
